All, Barry asked that we prepare a one-page summary of the Exide site to share with the Administrators office. Please focus your review on areas I may have not covered/need checking:

Ex. 5 Deliberative Process (DP)

2. Devon, we should plan to add a bullet, maybe up front on issues, any planned press release etc planned by the State
3. Carolyn, I believe (and Eugenia can confirm) that the regional RCRA program has seen the longer version (also attached).

Thank you all for your input!
